Cancellation Announcement of OLIVE OIL KANSAI 2021 / WINE COLLECTION KANSAI 2021

Thank you very much for your continued support of OLIVE OIL KANSAI / WINE COLLECTION KANSAI.

Preparations for the exhibitions were going ahead as originally scheduled, however, due to the extension of the Japanese Government's declaration of a State Emergency on May 7, which will be until May 31, we regrettably have decided to cancel the exhibitions for the health and safety of visitors, exhibitors and all persons concerned.

We apologize for any inconvenience caused to exhibitors who have been preparing, those who were expecting to attend, and those involved who have been making efforts to hold the exhibitions, but we appreciate your understanding of the current situation in Osaka.

We will continue to make efforts to contribute to the development of the industry, so we look forward to your continued support.
